

2020 Syrah

Profile

Our 2020 Syrah offers aromas of black cherry, cranberry, ripe plum, blueberry, and a hint of spicy eucalyptus. On the palate, this medium-bodied red brings the brightness and acidity of red huckleberry and Italian plum followed by notes of cola and graphite. Smooth tannins and cedar shavings round out the finish leaving lingering traces of sandalwood and dried cherries.

Winemaker's Note

Harvested on September 30, and fermented 10% whole cluster with native yeast and co-fermented with lightly pressed Viognier skins. Aged in 60% new French oak for 26 months.
