

2022 Viognier

Profile

Embrace the depth of our 2022 Viognier as it envelops your senses in floral notes of rose hip, jasmine and orange blossom—the latter of which becomes emphasized upon the palate, accompanied by notes of bergamot, citrus zest and a rounded finish of ripened stone fruit.

Winemaker's Note

Hand-picked on October 13. Overnight skin contact brought out some palate texture along with classic floral viognier aromas. We fermented this wine in stainless steel to preserve acidity and freshness.

Specifications
